

HAVE YOUR SAY ON A NEW NAME AND NEW DESIGN

It's time to get creative

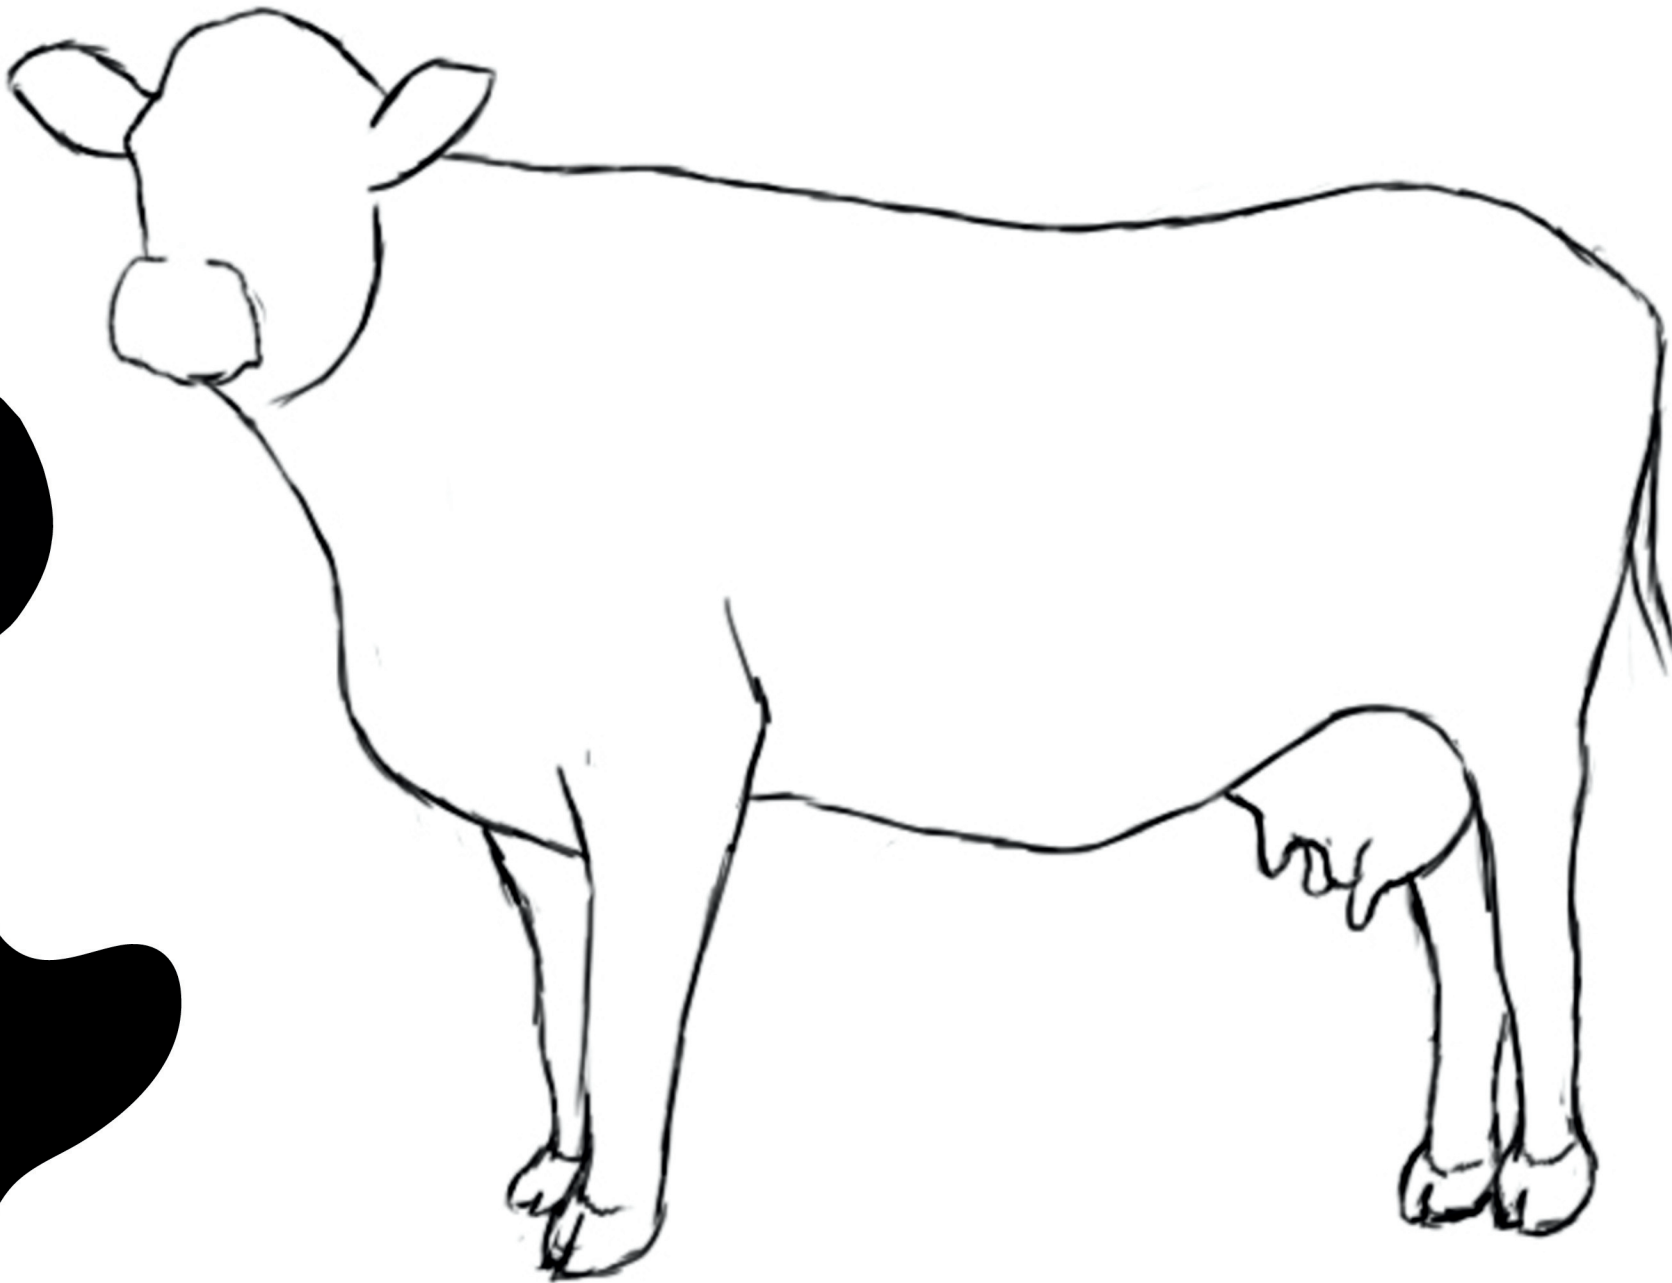

Our much loved school cow, who greets us each day, has been professionally stripped back to white and is ready for a fresh new look!

Our Student Representative Council and YPS  
NEED YOUR HELP!

Please return your ideas to YPS by Tuesday 1<sup>st</sup> September.

Let's see your ideas.....

# HAVE YOUR SAY

## NEW LOOK

How should she be painted?

Bright colours, school themed designs, school values, local landmarks, nature inspired artwork or something completely unique?

We'd love to hear or see suggestions from students, families and our Yarragon community members.

We are also on the hunt for someone in our community that is a fabulous artist who could help us see the vision come to life. We would love them to work with students to help finalise a design and help to paint her.

HER NAME.....

She was named 'Sapi Susu', meaning 'Cow Milk' in Indonesian. This was the name given as this was the language taught at school when she arrived at YPS.

We are open to changing her name to suit her new look but we are leaving that up to a vote of the people.

Share your ideas with us and help give our school cow a fabulous new makeover!

We can't wait to hear and see what you come up with!
