

Dear Parent/Guardian,

Yarragon Primary School is looking forward to another great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Maintain excellent buildings and grounds
- Enhance digital learning opportunities
- Provide quality materials to support all students
- Faster WIFI and internet
- Purchase equipment for both classroom and outdoor education programs
- Student Wellbeing Support

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Parent requests for refunds are subject to the school's discretion and are made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred. Refer to the Departments' Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

### SCHOOL PROCESSES
